

Our Strength Lies in the Quality of our Team

SCOR marks another important step in its positioning for growth and development in the U.S. Group Life & Accident reinsurance market.

These are the first in a number of planned staff additions and changes to expand our market knowledge, which we will use to help our clients be even more successful.

Von Peterson

Von Peterson

SCOR is delighted to announce that Von Peterson has joined the Group Reinsurance team as Vice President, Sales & Marketing. Von is responsible for managing sales, marketing, and relationships with clients and distributors for Group Life & Accident products.

Von brings 18 years of experience in group insurance at Securian Financial Group. Von established the Group Client Relationships department at Securian and built an industry leading team in client service, persistency and sales. In 2009, Von took over leadership of Securian's Group Insurance Division, a position he held until 2016. Under his leadership, Group Insurance became Securian's largest division in terms of revenue and earnings and rose to be the 3rd largest group life insurance writer in the U.S.

Brian Anderson, FSA

Brian Anderson has been promoted to lead SCOR's Group Life & Accident product lines. In Brian's new role, he will be responsible for operational leadership and advancing SCOR's strategic agenda in the Group Life & Accident reinsurance market.

Brian joined SCOR's Group Reinsurance operation in 2016, bringing more than 20 years of experience in the industry. Before joining SCOR he served as second vice president at Securian and its subsidiary Minnesota Life, where he was responsible for national account pricing during a period of substantial growth and profitability of their Group Insurance Division. Brian also has extensive knowledge in executive life programs, experience refunding arrangements and best practices related to group life underwriting guidelines.

Mark Laulainen

SCOR also announces that Mark Laulainen will be retiring in January 2018 from SCOR. He has led the Group Life & Accident team and is now transitioning to a senior advisor position. Mark, who has served the insurance and reinsurance industry for more than 40 years, was instrumental in building Generali's Group Life & Accident reinsurance block in the 2000's and transitioning this business to SCOR when Generali was acquired in 2013.

SCOR is most fortunate to have Mark's knowledge and passion for the business. He will be facilitating a smooth transition of the business and relationships as the team continues to grow.

Kelly Munger, SVP
Group Reinsurance

I am excited about the experience we are adding to the team with the addition of Von and the promotion of Brian to lead the team into the future. We have additional hires in process which will continue to strengthen SCOR's Group Life & Accident product knowledge.

Mark has been instrumental in positioning SCOR for this expansion, and on behalf of SCOR I thank Mark for the knowledge and strong leadership he brings to our Group Life & Accident business.
